CALIFORNIA ASSOCIATION OF BED AND BREAKFAST INNS
GIFT CERTIFICATES AVAILABLE FOR CALIFORNIA TRAVEL

Soquel, CA – The California Association of Bed and Breakfast Inns (CABBI) has the perfect solution for gift giving on any occasion. Surprise a loved one, friend, co-worker, or relative with a CABBI gift certificate. CABBI is a non-profit, member driven organization that represents over 340 distinctive bed and breakfast inns throughout California. Gift certificates are available in all dollar amounts and can be used at the participating CABBI property of the recipient's choice. Gift certificates are easy to order online at www.cabbi.com, or by calling (831) 462-9191.

Gift certificates are elegantly designed to reflect the high quality standards of CABBI member inns, and are presented with CABBI's complete membership directory, *The Inns of California*. Gift certificates have no expiration date, making travel in California convenient. Accommodations are based on availability. Reservations for holiday or peak season travel should be made far in advance.

“Gift certificates make a unique impression on those who receive them,” says CABBI Executive Director Sandy Hazen. “Recipients can choose when they want to travel and what occasion they want to celebrate, whether it's a romantic getaway, spontaneous weekend journey, family vacation, or a personal retreat in a beautiful setting.”

CABBI member B&Bs and inns are located throughout five California regions: Northern California, Gold Country/High Sierra, San Francisco Bay Area, Central Coast/Valley, and Southern California. All CABBI-certified properties adhere to the highest quality standards, ensuring that all guests experience the utmost in customer service, amenities, and convenience of choice.
